

INTERCEPT SURVEY

City of Goodyear Civic Square Grand Opening

Monday, August 1st, 2022 | 7:00am – 9:30am | Goodyear Civic Square, 1900 N. Civic Square, Goodyear, AZ

The City officially opened the new Civic Square (GSQ) which provides the new home for the Cities offices and City Hall, new community Library and Park area. The Civic Square includes a two-story library, park with multipurpose event lawn, yard games, art and benches and lighted walking pathway. The GSQ facility also provided connections to the Bullard Wash linear park and multi-use pathway.

The master plan team along with the City's Parks and Recreation department held an intercept survey event at the grand opening of the City Civic Square and Library. The team provided the City residents and attendees with information regarding the Goodyear Gameplan parks and recreation master plan project including process, opportunities for input, survey and upcoming community workshops. The team also provided a Dotocracy station to allow Goodyear residents to provide input regarding Parks and Recreation programming and facilities they would like to see in the 10-year parks and recreation master plan. The event included stations in the recreation center as well as out in the aquatics area. The event included 101 participants for the Dotocracy activity.
